

# International Faculty Recruitment

TUSUR University provides equal employment opportunities through non-discriminatory hiring practices. Multinational faculty that bring new perspective, experience and talent to the university broaden its instructional and research programs.

## Applying to TUSUR

The search for a new faculty member is both routine and unique. While faculty recruitment is often addressed only when a position becomes available, TUSUR welcomes proactive approach in prospective faculty members and encourages them to express their interest in taking a position at the University. This can be done by contacting either the relevant department the candidate wishes to join (using the contact details specified at the official page of such department), or the Division of International Cooperation at [kga@tusur.ru](mailto:kga@tusur.ru) or at +7 (3822) 510-804.

When applying to join the faculty of TUSUR University, candidates are expected to communicate the following information:

- Name, address and telephone number of contact person.
- Desired position;
- Areas of specialization;
- Duration of position;
- Salary range.

## Information and Visa Support

All applications from prospective faculty members received by TUSUR University are examined by the relevant department. All applicants are offered comprehensive support from the Division of International Cooperation and, if invited to join TUSUR faculty, visa support.
