Prof. **Stefano Boccaletti** (CNR- Institute for Complex Systems, Italy)

Prof. **Konstantin S. Brazovskiy** (Siberian State Medical University, Tomsk)

Prof. **Boris M. Brzhozovskii** (Yuri Gagarin State Technical University of Saratov, Russia)

Prof. **Marina B. Brovkova** (Yuri Gagarin State Technical University of Saratov, Russia)

Prof. **Syamal K. Dana** (CSIR - Indian Institute of Chemical Biology, Calcutta, India)

Prof. **Alexander G. Divin** (Tambov State Technical University, Tambov)

Prof. **Victor B. Kazantsev** (Vice-Rector for Research of Lobachevsky State University of Nizhni Novgorod, Russia)

Prof. **Alexey A. Koronovskii** (Vice-Rector for Research of Saratov State University, Russia)

Prof. **Grigory V. Osipov** (Lobachevsky State University of Nizhni Novgorod, Russia)

Prof. **Igor G. Ostroumov** (Vice-Rector for Research of Yuri Gagarin State Technical University of Saratov, Russia)

Prof. **Alexey N. Pavlov** (Yuri Gagarin State Technical University of Saratov, Russia)

Prof. **Alexander N. Pisarchik** (Universidad Politécnica de Madrid, Centre for Biomedical Technology, Spain)

Prof. **Yuri V. Poduraev** (Moscow State University of Technology «STANKIN», Moscow)

Prof. **Mikhail D. Prokhorov** (Saratov Branch of the Institute of Radio Engineering and Electronics of Russian Academy of Science, Russia)

Prof. **Leonid A. Savin** (Orel State University named after I.S. Turgenev, Russia)

Prof. **Petr P. Storozhev** (Android Technics, Magnitogorsk, Russia)

Prof. **Alexander L. Fradkov** (Saint Petersburg National Research University of Information Technologies, Mechanics and Optics)

Prof. **Alexander E. Hramov** (Yuri Gagarin State Technical University of Saratov, Russia)

## Oral Presentations

Each paper selected for oral presentations will be allotted a total of 20 minutes, including 15 minutes for presentation and 5 minutes for questions and discussion. To maintain the session schedule, authors are asked to ensure that their presentations conform to these time constraints.

## Dynamics of Complex Networks and their Application in Intellegent Robotics

## Additional Information

Further information, including instructions for the submission of abstracts is available on the DCNAIR 2018 website.

There is an opportunity for financial support of young scientists (up to 30 years). If you are in need of financial support, please inform us about this and send your justification to [dcnair@sstu.ru](mailto:dcnair@sstu.ru). Successful applicants will be informed before the conference. The amount of financial support and the number of supported participants will depend on the budget.

We look forward to welcoming you to Saratov in 2018!

Sincerely,

The DCNAIR 2018 Committee

## DCNAIR 2018

The Organizing Committee is pleased to announce the Second School for Young Scientists “Dynamics of Complex Networks and their Application in Intellectual Robotics” (DCNAIR 2018), that will be held **8 - 10 October 2018** in Saratov city, Russia.

The Conference venue is located in Yuri Gagarin State Technical University of Saratov (Russia).

The event is supported by the Russian Science Foundation (Project № 17-72-30003).

DCNAIR 2018 aims at being an international forum of education, information and technical discussion between the various players in the field of complex networks and intelligent robotics, especially for young scientists. Therefore, we invite you to submit papers with the results of your work and experiences in the designated fields. DCNAIR 2018 will provide a unique place for the exchange of scientific and technical information and will foster collaboration and cooperation in the complex networks and robotics domain both at Russian and worldwide level.

The conference has the status of a network event of the Basic university of the Saratov region.

The Conference will be complemented by an interesting social program, details of which will be posted on the DCNAIR 2018 website.

## Calendar of Events

- Deadline for pre-registration for the Conference **15 March 2018**
- Abstract submission deadline **15 September 2018**
- Notification of acceptance **20 September 2018**
- Preliminary Programme **1 October 2018**

## Abstract submission

Authors are invited to apply for participation in DCNAIR 2018.

Until **March 15, 2018**, send to the e-mail address [dcnair@sstu.ru](mailto:dcnair@sstu.ru) a preliminary application for participation in the Conference, consisting of the title of the abstracts and the list of authors with full names and affiliations.

Until **September 15, 2018**, it is necessary to submit 2-3-page abstracts with the results of your work. Abstracts must be submitted as instructed on the Conference website.

Authors will be notified by the **20th of September 2018** and accepted abstracts presented at the conference will be published.

The submitted materials (both in Russian and in English) will be included in the Proceedings of the Conference. The detailed information can be found on the Conference website.
